The Pittsburgh Summer Learn and Earn Program provides a **25-hour per week** employment opportunity to local youth from **June 26th to August 4th** .

Bloomfield Garfield Corporation (BGC), utilizing resources provided by Pittsburgh's Learn and Earn Program is expecting to employ 150 Youth Interns this summer (**on BGC's payroll**) and is looking for worksites to host Youth Interns.

Youth interns are eligible to participate in a variety of work and will be matched to sites according to their interests. In the past, interns have worked with an array of worksites including: hospitals, summer camps, banks, local non-profit offices, and more!

Being a worksite for the summer will have a series of benefits such as:

- Helping our city to progress by developing Pittsburgh's youth workforce,
- And free labor for the summer!

Before job placement, we will offer a weeklong job preparation workshop to ensure that the Youth Interns will have the tools to help them succeed for the summer.
